All the fun of the park

ORIGAMI ART: Stephen Watson and Holly Pearse play with paper and card

There was fun for all the family in Worden Park at the weekend when South Ribble celebrated St George's Day in style.

Hundreds of families turned out for the two-day festival and circus performers were on hand to entertain the crowds alongside a Punch and Judy show, various arts and crafts, painting, pot making and origami sessions.

Music was the order of the day at the Worden Arts Centre with local folk group Trouble at th' Mill and guitarists Mark Claydon and Peter Aldridge making sure the celebrations went with a bang.
